### **For more information**

The SLATT Program recognizes the complex threat environment and unique challenges facing the law enforcement, intelligence, homeland security, and first responder communities across the country. The SLATT Program team remains committed to providing premier anti-terrorism and targeted violence training, technical assistance, and resources to our partners and encourages you to visit the website located at <https://www.slatt.org>. For more information, use the “Contact Us” button on the SLATT homepage or submit an email to [info@slatt.org](mailto:info@slatt.org).
